

## Emotional Support

### REQUEST FOR SERVICES

Upper Iowa University, in compliance with the Fair Housing Act (FHA) and University Policy 707, may allow Emotional Support Animals as a reasonable accommodation in residence hall rooms of students with documented disabilities. While Emotional Support Animals are permitted in university residence hall rooms, apartments, and houses, they are prohibited from public areas such as dining centers, classrooms, computer labs, or other university property.

You are highly encourage to read University Policy 707 while apply for an Emotional Support animal. Here is the link: <https://uiu.edu/wp-content/uploads/707-Animals-on-University-Owned-or-Controlled-Property.4.29.2020-1.pdf>

Students with Emotional Support Animals will be responsible for the ownership of the animal, including maintaining and controlling the animal at all times. Students may be responsible for any cost associated with damages the animal causes to campus property or other persons.

It is important that you, as the student requesting an Emotional Support Animal, complete this form to the best of your ability and return the application to the Student Accessibility Services Office along with documentation from a physician or licensed mental health professional supporting your need for this particular accommodation. The supportive documentation:

- Verifies that you meet FHA's definition of a person with a disability.
- Describes how the animal will assist you.
- Shows the relationship between your disability and the need for assistance.

Additionally, Emotional Support Animals must have a valid license and current vaccinations on file with Student Accessibility Services.

**Please note that eligibility for accommodations will not be determined until a completed Request for Services form and relevant documentation are on file at Student Accessibility Services.**
